Kuehnert Dairy Fall Festival COVID-19 Safety Plan

An inherent risk of exposure to COVID-19 exists in any public place where people are present.

The Kuehnert Dairy Family is making significant efforts to ensure a reasonably safe environment; however the safety of staff, volunteers and guests cannot be guaranteed due to the nature of the pandemic.

Visitors who are 65 years of age or older or individuals who are medically vulnerable to COVID-19 should ensure they take measures to be safe and not subject themselves to the risks this virus could pose.

By visiting the Kuehnert Dairy Fall Festival, you voluntarily assume all risks related to exposure to COVID-19.

To help keep everyone safe, Kuehnert Dairy asks all guests to respect the 6-foot social distancing guidelines, follow personal hygiene practices, and stay home if not feeling well.

Please enjoy and stay safe!
