INGREDIENTS: Whole Milk, Vitamin D

Our creamline whole white milk is non-homogenized, meaning it will retain its natural cream on top for a less-processed delight straight from the milking parlor! Remember to shake before sipping - if you're feeling fancy, skim off the cream for a delightful addition to your recipes. Our glass bottles keep milk colder and help to preserve the true fresh taste.

\*our glass bottles require a \$2.50 deposit. rinse and return for store credit.\*
